Red Cross Secretary's Report

American Red Cross—Center Harbor Branch

The Red Cross safety program for the past year was sponsored by the Red Cross with Miss Francine Anthony of New York as the instructor. While this program is under the direction of the Red Cross, the funds are made available by the Town of Center Harbor at the Town Meeting in March. By sponsoring this program nearly all of the children of our community learn to swim at an early age.

Please keep in mind that the Red Cross equipment is available for your use at any time by contacting either Carrie Kelley or Amy Brown.

The Annual Meeting of the Center Harbor Red Cross is held the last Monday in June at the Nichols Memorial Library at 7:30 P.M. Everyone is welcome.

Respectfully submitted,

CARRIE H. KELLEY

Forest Fire Warden's Report

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocket-book—yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children may cause fires. Ninety-eight percent of our forest fires result from human carelessness—our carelessness. This, we—you and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations—hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware and alert to the danger and by cooperating with your warden.

Do the things that are required of you:

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.
